Policy regarding Reading Quizzes:

Reading quizzes will take place at the beginning of class, and anyone who arrives late when the class is finishing up the quiz or after the quiz has ended cannot take it. You must be on time and be present to participate in this graded activity.

Only students who follow the LATE WORK AND MAKE-UP WORK POLICY of the syllabus will be allowed to make up any quizzes.

Reading quizzes can be made up the following way (if one is eligible for a make-up):

The student will take two quizzes on another author. For example, if a student has been authorized to make up a quiz, he/she could take two quizzes on Hamlet instead of one.

Questions for Reading Quizzes will focus on the following information:

1) Author’s name
2) Title of the work
3) Publication date of the work
4) Basic plot
5) Characters’ names

*Spelling DOES count. Names and titles must be spelled correctly to earn all points.
